<u>Senate Bill 1360</u> (2021-2022 regular session) made changes to election laws concerning petition gathering and campaign finance disclosure, effective January 1, 2023. Key changes related to petition gathering and disclosure:

- 1. Official Top Funders Disclosure: SB 1360 established new requirements for campaigns paying for the circulation of initiative, referendum, or recall petitions in California.
- 2. Petition Signer's Rights: Petition gatherers are now required to inform potential signers of their right to see an "official top funders" sheet.
- 3. Specific Disclosure Information: The "official top funders" disclosure must include the campaign committee's name, qualifying top contributors (**those whose cumulative contributions are \$50,000 or more**), the month and year the disclosure is valid, and a link to a webpage with the most recent top funder information.
- 4. Circulator Status: Petitioners must indicate whether they are a paid signature gatherer or a volunteer.
- 5. Transparency Focus: These changes aim to improve transparency in election campaigns and ensure voters are aware of the major financial backers behind ballot measure efforts.

All contributions and expenditures for our <u>committee</u> will be reported to the City Clerk per FPPC Form 460 reporting requirements (see filing schedule).
